VOLUNTEER WITH COVENANT HOUSE ALASKA!

Thank you for your interest in volunteering with Covenant House Alaska. Volunteer placements are dependent on our program needs at any given time, but possibilities are nearly endless!

Please fill out your information at the bottom of this page, and I will be in contact with you about current opportunities. Because you are applying for a volunteer opportunity at a licensed child care facility, a soft background check will be completed as the first step, and there are some charges that may bar an individual from volunteering. Some opportunities may also require a more expensive application and background check process.

I look forward to meeting you and introducing you to a program that takes youth from the street and gives them a chance for a future.

Sincerely,

Holly Payne, Volunteer Specialist
